The Honorable senator Deborah Ann Greer Stabenow

United States Senator from Michigan

731 Hart Senate Office Building

Washington DC 20510

Regarding support of **healthcare workforce resilience act**

Dear Senator Stabenow,

On behalf of other physicians and medical students at Detroit Medical Center I am writing to voice of strong support on Healthcare Workforce Resilience Act. Detroit Medical Center is located in underserved area in Michigan and significant number of our physicians are from foreign countries. Their contribution is significant enough and we cannot function without them. COVID-19 is caused more shortage of healthcare physicians in our hospital. Healthcare Workforce Resilience Act is a perfect solution for foreign physicians to work in our Medical Center and underserved population in Detroit. We appreciate the support of this bill and welcome any comment or opportunity to discuss further.

Warmest regards,

A handwritten signature in blue ink, appearing to read "Pallekonda", is written over a light blue circular stamp.

Dr. Vinay Pallekonda, MD

Chief Medical Officer

**To help people live happier, healthier lives.**

The Honorable senator Gary Charles Peters Sr.

United States Senator from Michigan

724 Hart Senate Office Building

Washington DC 20510

Regarding support of **healthcare workforce resilience act**

Dear Senator Peters,

On behalf of other physicians and medical students at Detroit Medical Center I am writing to voice of strong support on Healthcare Workforce Resilience Act. Detroit Medical Center is located in underserved area in Michigan and significant number of our physicians are from foreign countries. Their contribution is significant enough and we cannot function without them. COVID-19 is caused more shortage of healthcare physicians in our hospital. Healthcare Workforce Resilience Act is a perfect solution for foreign physicians to work in our Medical Center and underserved population in Detroit. We appreciate the support of this bill and welcome any comment or opportunity to discuss further.

Warmest regards,

A handwritten signature in blue ink, appearing to read "V. Pallekonda", is written over the typed name.

Dr. Vinay Pallekonda, MD

Chief Medical Officer
