Honorable Roger F. Wicker
United States Senate
555 Dirksen Senate Office Building
Washington, D.C. 20510

Dear Senator Wicker:

I respectfully urge you to support S.1024, the HEALTHCARE WORKFORCE RESILIENCE ACT. Your support of this critical legislation will help to fill an increasing gap in the workforce of physicians and nurses. At present, the need for this critical workforce is greater than it has ever been. COVID-19 has added immense pressure on the healthcare workforce such that current supply is insufficient for the demand. We need your help! This legislation would strengthen our healthcare workforce and give these valuable professionals the ability to make their home in the great State of Mississippi. I appreciate your consideration.

Sincerely,

M. Shane Spees
